

# Don't Tell Me I'm in Love

I'm looking out for number one  
Every man, for himself  
Ask only for a little fun  
Got no time for somebody else-

Women just get in my way  
Always telling what to do  
Can't understand you anyway  
Yet I'm coming back to you....

*DON'T TELL ME I'M IN LOVE...*  
*I do fine, on my own*  
*DON'T TELL ME I'M IN LOVE...*  
*Nothing wrong with being alone*  
*So don't tell me I'm in love.*

Can't read a woman's mind  
And never learned to multi-task  
I wear what ever I can find  
Stay out as long as I can last-

Eat at restaurants if I choose  
And I don't mind a splash of booze  
Don't have to watch my P's and Q's  
Yet I still come back to you....

*DON'T TELL ME I'M IN LOVE...*  
*I do fine, on my own*  
*DON'T TELL ME I'M IN LOVE...*  
*Nothing wrong with being alone*  
*So don't tell me I'm in love.*

## **Instrumental break**

Feel so badly – maybe there's a pill or a shot  
I have freedom – but there's one thing that I haven't got  
Gotten used to my own way  
Yet I cannot let you go

And my heart wants you to stay  
Sometimes yes and sometimes no-  
Thought I had it in control  
But on my own I'm feeling blue  
Like living life without a soul  
Forever coming back to you....

*DON'T TELL ME I'M IN LOVE...*  
*I do fine, on my own*  
*DON'T TELL ME I'M IN LOVE...*  
*Nothing wrong with being alone*  
*Don't tell me I'm in love*
